

PRAYER LINE VOLUNTEER APPLICATION

SOMEBODY CARES AMERICA

PRAYER & CRISIS HOTLINE

TOLL FREE - 24/7

855-459-CARE (2273)

Be a hero in your community!

Become a trained prayer volunteer!

In any given city or town, there are people in crisis who might text a prayer or make a phone call to talk to someone if a Crisis Phone Line was available. But most churches don't have the resources to provide a prayer ministry 24 hours a day.

The Prayer & Crisis Referral Network (PCRN) is a 24/7 Prayer Line that comes alongside churches and communities to provide this service.

How does it work?

Calls and texts for prayer to the SCA Prayer & Crisis Hotline are received through the PCRN phone carrier and immediately forwarded to a trained, on-duty prayer ministry volunteer.

Each volunteer has access to the SCA referral network along with the PCRN website and manual, which includes prayers, scriptures, salvation information, and referrals to churches and ministries.

At the end of the conversation, the volunteer may offer referral suggestions including a local church or ministry to meet the caller's spiritual and felt needs. No counseling of any kind is permitted.

Volunteers are asked to take a two-hour shift once a week, from home or cell. Your information is confidential; no one sees your number.

A PRAYER LINE VOLUNTEER:

- Listens compassionately.
- Leads the caller in scripture-based prayer.
- Shares the message of Jesus Christ.
- Refers the caller to local partner churches and ministries.
- Refers the caller to local organizations for physical help.
- Keeps a log of caller needs.

“A true witness rescues lives.” Proverbs 14:25

A Prayer Ministry Resource

The PCRN Prayer Line is a Prayer Ministry Resource that serves alongside ministries like Somebody Cares America, RTN Radio Network, the Kendrick Brothers "War Room" movie, Marketplace Ministries, and many others.

PCRN phone volunteers serve by answering crisis phone calls and praying with those in need. They also offer referrals to churches or ministries for follow up, if the caller desires. The PCRN phone volunteers are kept anonymous – no one has our volunteers' personal phone numbers.

To find out more about this exciting and unique ministry, please visit our website at www.prayerandcrisisreferral.org.

PCRN fields over 161,000+ calls and texts per year throughout the nation and around the world!
