

# HER *God* STORY PODCAST CLUB

## EPISODE 45: THERE IS AUTHORITY IN THE NAME OF JESUS WITH MARY NELSON

1. Did you, like Mary, believe that all you had to do was be a good person? How did God show you there was more?
2. After repentance, we sometimes need to learn new patterns. What new patterns did you have to learn?
3. Mary shares what their family did to draw their children to Christ. What does your family do to draw each other to Christ?
4. Mary and her family felt led to get rid of ungodly things from their home and lives. Has God led you to get rid of things that hindered your relationship with Him? How did your life change as a result?
5. 2 Chronicles 16 tells of how King Asa sought medical opinions before he sought God. Have you ever sought the opinions of others before praying about a situation? When you did pray about the situation, did you get a different response?
6. If we stay under God's authority, we have authority in prayer in the name of Jesus. Tell of any experiences you had where you prayed in authority over a situation and saw a change.
