EPISODE 51: YOU CAN TRUST GOD WITH LURA MINEAU

1. Lura saw evidence of God working in her life before she even knew Him. Looking back in your life, do you see times where God was working in your life to draw you to Him?
2. Lura's husband, Kris, had a vision of Christ when He got saved. Lura felt God ask her to make a choice. Tell about your salvation experience.
3. Fear was a big battle for Lura. She used the Word of God to change her thoughts. Is there something in your life that you've had a big battle with? Were there scriptures that were useful?
4. Lura talks about how we can be afraid to pray certain things, but God is trustworthy. Have you ever been afraid to say a prayer or ask God for something? How did God show Himself trustworthy to you?
5. Proverbs 27 says, *"As iron sharpens iron, so a man sharpens the countenance of his friend."* Do you have friends who sharpen you? How have they helped you? How can you be a good friend who sharpens others?
6. God calls us to be bold for Him. Share times when you felt God asked you to be bold.

7. Lura speaks often of God's [hā-seḏ](#), His lovingkindness. What examples of His lovingkindness have you seen in your own life?

8. Christianity is a relationship, not a religion. Share what that means to you.
